

# Buck Owens, I Know You're Married, But I Love Y

The day I met you my heart spoke to me it said to love you through eternity  
Not knowing that you were another's bride I vowed I'd always be close by your side  
You know I love you and I always will I know you're married but I love you still  
[ fiddle ]  
You broke a heart dear that would die for you I'd give the world to belong to you  
The game is over now I know I've lost my broken heart will have to pay the cost  
You know I love you and I always will I know you're married but I love you still
