

Buck Owens, Let Me Get My Message Thru

Let Me Get My Message Through
(Dickie & Leroy Sanland)

I've got letters, return phone calls, no answer
But I can't get my message through
Every dream is of you and I know that it's true
That I love you, love you.

Let me get my message through
Let me get my message through to you
Can't you hear my heart cries
It's making my soul die.

I know, I done wrong but I want to belong in your heart
Make me a part of you
So let me get my message through
I'll be yours and I'll be true.

Let me get my message through to you.
Uh huh, Huh uh...
