

# Buck Owens, Long Hot Summer

It's gonna be a long hot summer  
There's not a cloud in the sky  
Weatherman says fair and warmer  
Is that a tear in my eye.

It's gonna be a long cold winter  
Just hope to God I don't freeze  
It's gonna be a bad year for the roses  
And a long hot summer's for me.

Well, you say that you're leavin'  
And that you ain't comin' back  
And the way things're looking  
I don't doubt it not one a little bit.

But what I am you made me  
And that's all I'll ever be  
And if you don't change your mind about leavin'  
It's gonna be a long hot summer for me.

It's gonna be a long cold winter  
Just hope to God I don't freeze  
It's gonna be a bad year for the roses  
And a long hot summer's for me...
