

Buck Owens, Maybe If I Close My Eyes

Buck Owens & Susan Raye
(Buck Owens)

Maybe if I close my eyes it will go away
If I pretend there never was a thing tween you and me
For I can't sleep and I can't eat it haunts me night and day
But maybe if I close my eyes it will go away.

You say you're a fascination that I will soon forget
That it won't be long and I'll forget you ever did exist
But when I love I really love yes I'll go all the way
Maybe if I close my eyes it will go away.

You say that I must accept the truth that you're not coming back
Be reasonable at my age and faithful to the fact
But when I love I really love yes I'll go all the way
But maybe if I close my eyes it will go away...
