

Buck Owens, Rock Hard Love

Rock hard love, what you gave me
Rock hard love, sweet and tough
Lifted me when I was sinking
With your sweet, rock hard love.

Lost and lonely, on life's highway
Drifting farther out to sea
Like a lighthouse on the seashore
Your sweet love shines out to me.

Rock hard love, what you gave me
Rock hard love, sweet and tough
Lifted me when I was sinking
With your sweet, rock hard love.

--- Instrumental ---

When the storms of life are blowing
And no sunshine can be seen
When there's nothing left but darkness
Your rock hard love lays next to me.

Oh you told me that you loved me
And you proved it every way
Stood beside me, there to guide me
Rock hard love, everyday.

Rock hard love, what you gave me
Rock hard love, sweet and tough
Lifted me when I was sinking
With your sweet, rock hard love.

Lifted me when I was sinking
With your sweet, rock hard love...
