

# Buck Owens, That Sunday Feeling

(Buck Owens - Faye Butler)

When I go to church on Sunday I'm so satisfied  
Lost in love and sweet contentment soon is high in sight  
The frangnace of this holy place to him so sweet and dear  
I can feel God's spirit workin' everywhere.

I get that Sunday feeling all week long  
And you'll find that nothing can go wrong  
If you will pray a lot sing a lot read his word each day  
You'll get that Sunday feeling everyday.

--- Instrumental ---

Sometimes ol' Satan makes my life so miserable  
My burdens grow so heavy and unbearable  
Then I bow my head in prayer and sing a hymn or two  
And get that Sunday feeling Wednesday too.

I get that Sunday feeling all week long  
And you'll find that nothing can go wrong  
If you will pray a lot sing a lot read his word each day  
You'll get that Sunday feeling everyday.

You'll get that Sunday feeling everyday...
