

# Buck Owens, There Goes My Love

There goes the girl I used to know  
There goes the girl that I love so  
There goes the arms that used to hold me tight  
There goes the reason that I sigh  
There goes the reason that I cry  
There goes the lips I used to kiss goodnight  
There goes my love.

Well, you're the first love of my life  
And you might be my last  
I don't want to be just another  
Boy in your past.

There goes the girl I used to know  
There goes the girl that I love so  
There goes the arms that used to hold me tight  
There goes the reason that I sigh  
There goes the reason that I cry  
There goes the lips I used to kiss goodnight  
There goes my love.

--- Instrumental ---

I've got a feelin' for you yet  
That's with my night and day  
Just because we're far apart  
Don't make it go away.

There goes the girl I used to know  
There goes the girl that I love so  
There goes the arms that used to hold me tight  
There goes the reason that I sigh  
There goes the reason that I cry  
There goes the lips I used to kiss goodnight  
There goes my love...
