

# Buck Owens, There'll Be No Other

There'll Be No Other

There'll be no other  
To make me cry  
There'll be no other  
To make me blue  
I can't deceive you  
I'll always believe you  
There'll be no other  
While I'm lovin' you.

No, other arms  
No, other kisses  
To thrill me now  
So I'll be true  
Each night I'm sayin'  
To him I'm prayin'  
There'll be no other  
While I'm lovin' you

--- Instrumental ---

Though I might find love  
I'll never try  
'Cause your my first love  
My heart's with you  
My only heads out  
I can't forget thou  
There'll be no others  
While I'm lovin' you

No, other arms  
No, other kisses  
To thrill me now  
So I'll be true  
Each night I'm sayin'  
To him I'm prayin'  
There'll be no other  
While I'm lovin' you...
