

# Buck Owens, Way I Love You

When a man loves a woman the way that I love you  
He's just asking for trouble for a one way love is never true  
He can't see the forest for the trees he can't hear the wind blow for the breeze  
He can't see the rainbow for the blue  
When a man loves a woman the way that I love you  
[ steel ]  
He can't see the forest...  
When a man loves a woman the way that I love you
