Buck Owens, Weekend Daddy

I know I only see you now and then But I just can't make your mama understand That I really can't be happy being gone And your weekend daddy loves her all week long.

I know you'd like for me to come back home But your mama thinks she needs to be alone And don't think I forget her when I'm gone Your weekend daddy loves her all week long.

I don't mean to be a weekend daddy And I know you're too young to understand But if mama finds forgiveness for the things that I've done wrong Then she'll love your weekend daddy all week long.

If mama finds forgiveness...
