

Buck-Tick, Aku No Hana

Asobi wa koko de owari ni shiyouze
Iki no ne tomete breaking down
Sono te o kase yo subete suteru no sa
Kurutta piero bad blood
Yumemita hazu ga buzama o miru no sa
Ureta yokubou fallin' down
Sayonara dake ga subete da nante
Kurutta piero bad blood
Moeru chi o wasureta wake ja nai
Amאי nukumori ga me ni shimita dake
Lonely days
Afureru taiyou aoi kodoku wo te ni ireta blind-blue-boy
Moeru chi o wasureta wake ja nai
Amאי nukumori ga me ni shimita dake
Yubi no sukima de kono sekai ga mawaru
Atsuku kirameku naifu mune ni dakishime
Lonely days
Afureru taiyou aoi kodoku o te ni ireta blind-blue-boy
Lonely nights
Kogoeru yoru ni sakebitsuzukeru kuruidase blind-blue-boy
Lonely days
Afureru taiyou aoi kodoku o tatakitsubuse blue-boy
Lonely nights
Kogoeru yoru ni sakebitsuzukeru kuruidashita blue-boy
