

# Buddhuza, Holy Jolly

Stay another moment before i'm  
Giving up the voice of the nation,  
Sleeping on the couch of intention,  
Cos I like the communication.

Lay another day cos you know I'm  
Staying up to speak to your body,  
Speaking soft but sometimes too muddy,  
Tolling bells to call everybody now.

Rhyme our names cos you know we're  
Teleported into our cradles,  
Know the snake that hisses and rattles,  
Maybe calm but sometimes we're rebels.

Crawl to the fatherly jolly,  
We're the ones who live in the holy,  
Coming up with nonsense and folly,  
Pleading with our parents that are not alive.

It's time, bring on the hari hari  
And tune in before it's late,  
Slake our thirst,  
It's time, bring on the hari hari  
And turn on before it's late,  
Slake our thirst,  
It's time, bring on the hari hari  
And drop out before it's late,  
Slake our thirst,  
It's time, bring on the hari hari  
And break out before it's late,

Crawl to the fatherly jolly...

Crawl to the fatherly holy jolly  
Into another foreign land,  
Crawl to the fatherly jolly

Onto another roaring band,  
Crawl to the fatherly holy jolly  
To people holding hand in hand,  
Crawl to the fatherly jolly  
To everyone who dance and jam...
