

# Buddy Guy, Bad Bad Whiskey

Bad, bad whiskey  
Bad, bad whiskey  
Bad, bad whiskey  
Made me loose my happy home  
Made me loose my happy home

Whiskey endless women  
Is driving me out of my mind  
Ev'ry time I get a lover that's tough you know  
I think I'm doin' just fine  
Bad, bad whiskey  
Bad, bad whiskey  
Bad, bad whiskey  
Made me loose my happy home  
Made me loose my happy home

I went out last night  
Finally knocked myself outta sight  
I got full of that bad stuff  
And almost started a fight

Bad, bad whiskey  
Bad, bad whiskey  
Bad, bad whiskey  
Made me loose my happy home  
Made me loose my happy home

I wanna tell you baby  
I'm now feeling just fine  
I think I'll stop drinking whiskey,  
and going back to bad wine  
Bad, bad whiskey  
Bad, bad whiskey  
Bad, bad whiskey  
Made me loose my happy home  
Made me loose my happy home

Let me tell you  
Oh, that bad whiskey  
Oh, that bad whiskey  
Oh, that no good whiskey
