

# Buddy Guy, Black Night

Black night is fallin'  
Oh how I hate to be alone  
Black night is fallin'  
Oh how I hate to be alone  
I keep crying for my baby  
And there ain't another day is gone

I have no one to talk with  
To tell my trouble to  
My baby gone and left me  
Someone tell me what more, what more can I do

Black night is fallin'  
Oh how I hate to be alone  
I keep crying for my baby  
And there ain't another day is gone

Yeah

I have no one to talk with  
To tell my trouble to  
My brother's in Iraq  
And I don't know, don't know what to do.

Black night is fallin'  
Oh how I hate to be alone  
Keep crying for my baby  
And there ain't another day is gone

Look at here

Goodbye baby  
Oh God, I sure do hate to go  
Goodbye baby, yeah.  
Oh God, I sure do hate to go
