

Buddy Guy, Did Somebody Make A Fool Out Of You

Did somebody make a fool out of you
Did somebody mistreat you

Well I know you've been holdin' back
You got a lot more love than that
Did somebody make a fool out of you

Did somebody run away with your heart
Did somebody tear you whole a part

Well I know you've been treated bad
But you don't have to look so sad
Did somebody make a fool out of you

Did somebody make a fool out of you
Did somebody mistreat you

And I know you've been treated bad
But you don't have to look so sad
Did somebody make a fool out of you

Oh yeah, Oh, yeah

Did somebody make a fool out of you
Did somebody mistreat you

Well I know you've been holdin' back
You got a lot more love than that
Did somebody make a fool out of you

I know it's hard to love someone again
When somebody have torn you all apart
But come on and let yourself go
Don't think about it anymore
I know there's still a lot of lovin' in your heart
Oh baby

Did somebody make a fool out of you
Did somebody mistreat you

Well I know you've been treated bad
But you don't have to look so sad
Did somebody make a fool out of you

No, no
