

Buddy Guy, Feelin' Good / What I'd Say

Junior:

He mama don't you treat me wrong
Come love daddy all night long
All right, what I'd say
All right, all right, all right

See the girl with the diamond ring
She knows how to shake that thing
All right, what I'd say
It's all right, all right

"Wait a minute, can I say something right here"

Buddy:

Ohhhh, feels so good
I wanna boogie, yeah, till the break of day
(listen hear)
Well now momma told poppa
(what she say)
About something she heard
(Tell them about it again)
I said, now looka here momma
(what she say)
don't you believe a word

I wanna boogie
I wanna boogie
Till the break of day

Well I boogied last night
And the night before
When I come back again Junior
I wanna boogie some more

I wanna boogie
I wanna boogie
Till the break of day

"Come on play it a little bit, brother"

Junior:

Listen
Well, old folks boogie
And them children too
There can't nobody boogie, just
Like me and you

We're gonna boogie
We're gonna boogie
Till the break of day
Yes mam

Baby, baby
Ohhh, feel so good

We're gonna boogie
We're gonna boogie
Till the break of day

Yeah

Buddy:

"Thank you, thank you so much"
"Thank you so much"

"We love you , we love you"
"We love you, Chicago"

"Without you I don't know if I could keep goin' on, you know"
"That thing you give me makes me keep goin'"
