

# Buddy Guy, Help Me

You got to help me  
Lord, I can't do it all by myself  
You got to help me, baby  
Woman, I won't do it all by myself  
If you don't help me darling  
I'll got to find myself somebody else  
Listen,  
I might have to wash  
I might have to sew  
I might have to cook  
I'll even mop that floor  
But you gonna help me woman  
Baby, I can't do it all by myself  
If you don't help me darling  
I'll better find myself somebody else

When I walk, walk with me  
When I talk, you talk to me  
Yeah baby,  
Woman I won't do it all by myself  
If you don't help me darling  
I'll gotta find myself somebody else  
Be cool brother

Now, Sonny Boy  
I know that you can hear me  
He, but I was one of your students  
And you know that you thought me whether  
And that's why right here and right now  
This last little verse is really going on for you

Now I don't know if I should howl  
Moan or even roam  
But I do know one thing this morning  
Oh, I feels so good  
Baby, baby oh yes I do

Bring me my nightshirt  
Put on your morning gown  
Bring me my nightshirt  
And put on your morning gown  
Cause' I know you're not sleepy  
But the old man feel like lying down

Let's try it one more time

Bring me my nightshirt  
Put on your morning gown  
Lord, bring me on home  
And put on your morning gown  
Cause' I know you're not sleepy  
But I do feel like lying down

Let's go home  
Be cool brother
