

Buddy Guy, I Got My Eyes On You

Got my nose open baby
You got my nose open baby
Ahhh Huhuhu
You got my nose open woman
But, I got my eyes on you

You got me weepin' and moanin'
Got me weepin' and moanin'
He, you got me weepin' and moanin'
Oh yes

You got me weepin' and moanin' woman
But I got my eyes on you

Look-a-here

Got my nose open baby
You got my nose open woman
Uh ohohooo yeah
Got my nose open baby
But, I got my eyes on you
