

# Buddy Guy, Leave My Girl Alone

You better leave, you better leave my little girl alone  
You better leave, Lord, you better leave my little girl alone  
Lord, before I get evil, man, and I'm known to do something wrong

You called my house, no later than yesterday  
'Cause I picked up the extension, and I heard every word you said  
Now, why don't you just go on, man, and leave my little girl alone  
Lord, before I get evil, man, and I'm known to do something wrong

You better leave her alone, now

You call my house, all the hours of the night  
But, let me tell you, mister, that's a sure way to start a fight  
Now, why don't you just go on, man, and leave my little girl alone  
Cause, Lord, you know I can get so evil, and I'm known to do something wrong
