

Buddy Guy, Love Her With A Feeling

The woman I love man you she kind-a
She kind-a big and fat
And what I like about the woman man
Is kind-a good like that

You gotta lover her with a feelin' man
Oh, or you better not love this woman at all
You better love her with a feelin' man
Or you better not a love her at all

She said I love you Buddy you know and
There ain't no doubt
I'm gonna open up my little book and
Let you knock you goddam' fool self out

You gotta to love her with a feelin'
Or you better not love at all

You got to love her with feelin' man
Or you better not love this child at all

Let me hear, let me get a little bit of that, ah..

One leg in the east
One leg in the west ah
I'm right down the middle ah
Tryin' to do my best

You gotta love her with a feelin' man
Or you better not love this woman at all
You better love her with a feelin' man
Or you better not love this child at all
