

# Buddy Guy, She's A Superstar

My baby's a superstar  
She's in a class out just by herself  
I said my baby's a superstar  
She's in a class out here by herself  
You know if the good Lord made anything better  
He must a kept it for himself

I was talking to a blind man  
I was talkin' to a blind man the other night  
Talking to a blind man  
Talkin' to a blind man the other night  
He said "every woman you talkin' about Buddy"  
He said "mmm man what a sight";

He said "that woman man she's something, she's hot";  
He said "that woman man she's like something, you never seen";

She say's she should be on centerfold of the Playboy magazine

My baby is a superstar  
She's in a class by herself  
I said my, my baby's a superstar  
She's in a class by herself  
You know if the good Lord made anything else better  
He got to have, held it for himself

My baby's a superstar  
And I love her like I do my guitar  
My baby's a superstar  
And I love her like I do my guitar  
I don't care what they say about another woman  
I don't care who she are
