

# Buddy Guy, The Way You Been Treating Me

Oh the way belove been treatin' me  
People I just can't understand  
Oh the way my belove been treatin' me  
People, I just can't understand  
Lord, I don't believe I can live much longer, yes,  
With all a this on my head  
Lord, I just scream an' I cry, Lord  
Somebody please tell me why  
Lord, sometimes I just scream an' I cry, Lord  
Somebody please tell me why  
Lord, I just can't keep on lovin' you baby, Lord  
I've got to have some good reason why

Whoa yeah!  
Come here baby!  
Look out!

Well, goodbye ev'rybody, yes  
An' I believe this is the end  
Yes, goodbye ev'rybody, people, yes  
An' I believe this is the end  
Yes, I want ya to tell my baby, yes  
To forgive me for my sins
