

Buddy Guy, Trouble Blues

So many day
Since you've been away
I always thought of you
Each night and day
Someday darlin'
Someday darlin'
I won't be trouble no more
Trouble, trouble
And this misery
You're about to get
The best of me
Someday darlin'
Someday darlin'
I won't be trouble no more

I told you my story
I've sung my song
About you leavin'
You know that's wrong
bye bye darlin'
bye bye darlin'
I won't be trouble no more
