

# Buddy Guy, Woman Blues Boogie

You better leave, you better leave my little girl alone  
You better go on and leave, mister  
You better leave my little girl alone  
Lord, before I get evil  
Lord, you know I'm gonna do something wrong

You call my house all hours of the night  
Well let me, let me tell you mister that's a sure way to start a fight  
Now why don't you just go on man and leave my little girl alone  
You know I can get evil sometimes  
Baby, you know I'm gonna do something wrong

You call my house not later than yesterday  
Because I picked up the extension and I heard every word you say  
Why don't you just go on man and leave my little girl alone  
Lord, you know I can get evil sometimes  
Lord, you know I'm gonna do something wrong
