

Buddy Holly, Door To My Heart

I opened the door
And left it standing
The door to my heart
Your love demanding
But you were not willing
To just step inside
Now the door to my heart
Is still open wide

I thought you would enter
And stay there with me
When I opened the door
To let your love come in

Now you've shunned my hope
My love and my pride
But the door to my heart
Is still open wide

Now you've shunned my hope
My love and my pride
But the door to my heart
Is still open wide
