

# Buddy Holly, Fool's Paradise

(Claire / Linsley / Petty)

You took me up to heaven  
When you took me in your arms  
I was dazzled by your kisses  
Blinded by your charms  
I was lost, in a Fool's Paradise  
Good and lost, in a Fool's Paradise

When you told me that you loved me  
I gave my heart to you  
And I wondered if there could be  
Any truth in love so new  
I was lost, in a Fool's Paradise  
Good and lost, in a Fool's Paradise

The whole world was my kingdom  
And your love the gem in my crown  
Then I saw you glance at a new romance  
And my love came tumbling down

Though you treat me kind-a coolish  
And may never let me know  
That you think I'm being foolish  
Because I love you so  
I'll still get lost, in a Fool's Paradise  
Lost with you, in a Fool's Paradise

Though you treat me kind-a coolish  
And may never let me know  
That you think I'm being foo-oo-oo-lish  
Because I love you so  
I'll still get lost, in a Fool's Paradise  
Lost with you, in a Fool's Paradise  
Lost with you, in a Fool's Paradise
