

Buddy Holly, I Guess I Was Just A Fool

I thought that I could forget
even tried to tell myself we'd never met
though you try - you can't deny
the beating of your heart
though you try - you can't deny
a true love when it starts
I guess that I was just a fool

I guess I'll go on loving you
even though I know our love will never do
well, though you try - you can't deny
the beating of your heart
though you try - you can't deny
a true love when it starts
I guess that I was just a fool
