Buddy Holly, I Guess I Was Just A Fool

I thought that I could forget even tried to tell myself we'd never met though you try - you can't deny the beating of your heart though you try - you can't deny a true love when it starts I guess that I was just a fool

I guess I'll go on loving you even though I know our love will never do well, though you try - you can't deny the beating of your heart though you try - you can't deny a true love when it starts I guess that I was just a fool
