

# Buddy Holly, I'm Looking For Someone To Love

Staying at home  
Waiting for you  
Just won't get it  
'Cause you say we're through

Well, I'm lookin' for someone to love  
I'm a-lookin' for someone to love  
Well, if you're not here  
But baby, I don't care  
'Cause I'm a-lookin' for someone to love

Playin' the field  
All day long  
Since I found out  
I was wrong

Well, I'm lookin' for someone to love  
I'm a-lookin' for someone to love  
Well, if you're not here  
But baby, I don't care  
'Cause I'm a-lookin' for someone to love

Caught myself  
Thinkin' of you  
You can't love me  
And another one too

Well, I'm lookin' for someone to love  
Yeah, I'm a-lookin' for someone to love  
Well, if you're not here  
But baby, I don't care  
'Cause I'm a-lookin' for someone to love

Drunk man  
Street car  
Foot slip  
There you are

Well, I'm a-lookin' for someone to love  
Yeah, I'm a-lookin' for someone to love  
Well, if you're not here  
But baby, I don't care  
'Cause I'm a-lookin' for someone to love  
I'm a-lookin' for someone to love  
I'm a-lookin' for someone to love  
I'm a-lookin' for someone to love  
I'm a-lookin' for someone to love
