

# Buddy Holly, It's Too Late

It's too late - she's gone  
it's too late - my baby's gone  
wish I had told her - she was my only one  
but it's too late - she's gone

It's a weak man that cries  
so I guess I'd best dry my eyes  
guess I will miss her more than any one  
but it's too late - she's gone

She's gone - yes, she's gone  
she's gone - my my baby's gone  
She's gone - yes, she's gone  
where can my baby be

I wonder does she know  
when she left me - it hurt me so  
I need your lovin' - please don't make me weep  
and tell me - it's not too late
