

Buddy Holly, It's Too Late

It's too late - she's gone
it's too late - my baby's gone
wish I had told her - she was my only one
but it's too late - she's gone

It's a weak man that cries
so I guess I'd best dry my eyes
guess I will miss her more than any one
but it's too late - she's gone

She's gone - yes, she's gone
she's gone - my my baby's gone
She's gone - yes, she's gone
where can my baby be

I wonder does she know
when she left me - it hurt me so
I need your lovin' - please don't make me weep
and tell me - it's not too late
