

Buddy Holly, Modern Don Juan

Well, I ain't nothin' but a man in love
I ain't nothin' but a man in love
the girls they say I'm their only one
they even say I'm a modern Don Juan

Well, there ain't but a-one thing puzzlin' me
I got a girl and she can't see
I want only to make her mine
well, she thinks I'm just handing her a line

Oh, I love her so
I'll never - ever let her go

Well, ain't nothin' but a man in love
