

Buddy Holly, Slippin' And Slidin'

Slippin' & a-slidin' - peepin' and a-hidin'
been told a long time ago
slippin' & a-slidin' - peepin' and a-hidin'
been told a long time ago
I've been told baby you've been bold
I won't be you're fool no more

Oh my Linda, she's a solid sender
know you better surrender
oh my Linda, she's a solid sender
know you better surrender
slippin' & a-slidin' - peepin' & a-hidin'
I won't be you're fool no more

Oh big conniver - nothin' but a child
I done got hip to your jive
oh big conniver - nothin' but a child
I done got hip to your jive
slippin' & a-slidin' - peepin' & a-hidin'
I won't be you're fool no more
