

# Buddy Holly, You're The One

You're the one - that's a-causing my blues  
you're the one - I don't want to lose  
you're the one that I'd always choose  
you're the one that's meant for me

You're the one - that I'm thinking of  
you're the one - that I'll always love  
you're the one - sent from heaven above  
you're the one that's meant for me

Sometimes you make me feel so bad  
you make me cry deep in my heart  
I feel like an actor in a play  
who doesn't fit the part

You're the one - and I want you to know  
you're the one - that thrills a-me so  
you're the one - I can't let you go  
you're the one that's meant for me
