

Buddy Holly, You're The One

You're the one - that's a-causing my blues
you're the one - I don't want to lose
you're the one that I'd always choose
you're the that's meant for me

You're the one - that I'm thinking of
you're the one - that I'll always love
you're the one - sent from heaven above
you're the one that's meant for me

Sometimes you make me feel so bad
you make me cry deep in my heart
I feel like an actor in a play
who doesn't fit the part

You're the one - and I want you to know
you're the one - that thrills a-me so
you're the one - I can't let you go
you're the one that's meant for me
