

Buddy Holly, You've Got Love

You got two lips that look so fine
you got one heart I wish was mine
Love - sweet love
you've got love (genuine love)

You got two arms that you could use
to make me lose my blues
Love - sweet love
you've got love (real fine love)

You've got love - real love
you've got love - sweet love
you've got love - that is true
I want only you

You got two eyes so you can see
your love was meant for me
Love - sweet love
you've got love (you've got love)

You've got love - real love
you've got love - sweet love
you've got me in a spin
I like the spin I'm in
