

Buddy Jewell, If She Were Any Other Woman

If she were any other woman
I wouldn't be going home right now
I'd stay out a little while longer
Put another coat of paint on this town

If she were any other woman
I'd go home just to keep the peace
But I've found she's where I find it
So that's where I want to be

If she were any other woman
She wouldn't have this hold on me
Ain't no woman like my woman
So there ain't no other man I'd rather be

If she were any other woman
Lord knows she might of thought twice
About hanging all her dreams on a dreamer
Cause it ain't been any easy ride

If she were any other woman
No telling where I'd be right now
She keeps my head from turning
And my feet on solid ground

If she were any other woman
She wouldnt have this hold on me
Ain't no woman like my woman
So there ain't no other man I'd rather be

She wouldn't stay on my mind
Morning noon and night
She wouldn't move me like she does

If she were any other woman
She wouldn't have this hold on me
Ain't no woman like my woman
So there ain't no other man I'd rather be

Ain't no woman like my woman
So there ain't no other man I'd rather be
