

Buddy Jewell, Pour Out The Rain (Lacey's Song)

La da da da de.....

The moment was custom made to order
I was riding with my daughter on our way back from Monroe
Like children do, she started playing twenty questions
But I never could have guessed one would touch me to my soul

She said daddy
when we get to heaven Can i taste the Milky Way?
Are we going there to visit or are we going there to stay
Am i Gonna see my grandpa ? Can I have a pair of wings?
Do you think that God could use another angel
to help pour out the rain?

La da da da de.....

Well I won't lie
I pulled that car right over
Sat there on the shoulder tryin to dry my misty eyes
And i whispered Lord, I wanna thank you for my children
Cause your innocense that fills them often takes me by surprise

Like daddy when we get to heaven can i taste the milky way
Are we going there to visit or are we going there to stay
Am i gonna see my grandpa? can i have a pair of wings
And do you think that God could use another angel
To help pour out the rain

Well i thought about it later on and a smile came to my face
And when i tucked her in to bed I got down on my knees and prayed

Lord when i get to heaven can i taste the milky way
I don't want to come to visit cause i'm coming home to stay
And i can't wait to see my family and meet jesus face to face
And do you think Lord you could use another angel
To help pour out the rain?

Hmm can i help pour out the rain...
