

Buddy Jewell, Your Lovin Eyes

If you never said I love you
Well honey that would be alright
Cause girl theres a fire burning
I can feel it from your lovin eyes

And I remember when we met
You were just a child
A bunch of years of flirting went by
And you became my bride

Tonights our anniversary
And honey this still remains true
The way you keep the desire alive
Keeps me wanting you

If you never said I love you
Well honey that would be alright
Cause girl theres a fire burning
I can feel it from your lovin eyes

Your lovin eyes are smiling down on me
Your lovin eyes say it so beautifully
So take me in your arms and love me tonight
Undress me with your lovin eyes

Musical break

Tonights our anniversary
And honey this still remains true
The way you keep the desire alive
Keeps me wanting you

If you never said I love you
Well honey that would be alright
Cause girl theres a fire burning
I can feel it from your lovin eyes

Your lovin eyes are smiling down on me
Your lovin eyes say it so beautifully
So take me in your arms and love me tonight
Undress me with your lovin eyes
