

# Budgie, Drugstore Woman

Don't need no drugstore woman  
No i don't need no drugstore girl  
I don't need no drugstore woman  
Oh every every every way i go  
Oh day or night well it's alright  
Hey hey yeah, oh yeah  
Said i don't need no pirate queen  
Well i don't want it, do you know what i mean?  
Well every way i look, and every way i go  
Every day i see her in the window  
`cause i don't want, and i don't need  
Hey hey yeah, oh yeah  
Oh i don't need no drugstore woman  
No i don't need no drugstore woman  
Well i don't need what i don't see  
Oh every every every way i go  
Well day or night well it ain't right  
Oh hey yeah, oh yeah  
Like i say  
Well i don't need no drugstore woman
