

# Budgie, Nude Disintegrating Parachutist Woman

Moving, drifting  
Dangling, liltng  
These visions of a mystery girl  
She's coming out of cloud nine, yeah  
Laughing, going  
Nude, yeah, yeah  
Disintegrating parachutist woman

Woman, climbing  
Drifting, wild one  
These visions of a mystery girl  
And she's coming out of cloud nine, yeah  
Oh I can see her  
Nude, yeah, yeah  
Disintegrating parachutist woman

I got a feeling  
I got a feeling inside  
I got a feeling I can't hide

I got a feeling  
I got a feeling inside  
I got a feeling I can't hide

Moving, drifting  
Dangling, liltng  
These visions of a mystery girl  
She's coming out of cloud nine yeah  
Falling seeing  
Nude, yeah, yeah  
Disintegrating parachutist woman

Nude, yeah, yeah  
Nude disintegrating parachutist woman
