

Buffalo Springfield, On The Way Home

(Neil Young, Richie Furay)
I just can't seem to get movin'
Love me enough to begin
And I'll never forget you
I hope that you care
More than a little for me
It's so hard to wait
If I should stand and stare
Don't be alarmed at me
It's so hard to wait
I just can't seem to get movin'
Love me enough to begin
And I'll never forget you
