

# Buffalo Springfield, Pay The Price

Well I heard the story once before  
And I know what the tears are for  
That's a lie and I just can buy  
You came for me so don't try

And I see another man in your eyes  
Yes, and you're old enough to know you can't live lies  
Yes, and so I'm telling you just exactly what to do  
'Cause you can't have two tastes of advice  
Pay the price

And if on another time or place  
Another day, another face  
I'm telling you babe it's all you know  
That one of us should have to go

Listen I know you hate to see me cry  
But I have to go and I tell you why  
Without your love I can't go on  
It's easy and it's wrong
