

# Building 429, The Space In Between Us

## Verse 1

Look at my heart again  
Look at the mess I've got it in  
I'm learning to trust in You  
To know that you'll see me

Through my pride  
Through my shame  
Into Your love  
Into Your grace  
I'm not looking back  
Till I see Your face  
I'm running straight to You

## Chorus

-----  
All I really want to do is to fall into  
The emptiness that is  
The space in-between us  
To break this division  
All I really want to do is to fall into  
The emptiness that is  
The space in-between us  
Erase it and bring us together again

## Verse 2

-----  
My life's an open book  
Nothing is hidden when You look  
You break through my boundaries  
Revealing my insecurities  
But through my pride  
And through my shame  
You show me love  
You show me grace  
I'm not looking back  
Till I see your face  
I'm running straight to you  
Because

## Chorus

-----  
All I really want to do is to fall into  
The emptiness that is  
The space in-between us  
To break this division  
All I really want to do is to fall into  
The emptiness that is  
The space in-between us  
Erase it and bring us together again  
together again

## Bridge

-----  
Here I am saying I need you  
I know I need you  
Here I am, I'm coming to meet you  
Cause I want to see you

## Chorus

-----  
All I really want to do is to fall into  
The emptiness that is

The space in-between us  
All I really want to do is to fall into  
The emptiness that is  
The space in-between us  
Erase it and bring us together

Chorus

-----

All I really want to do is to fall into  
The emptiness that is  
The space in-between us  
To break this division  
All I really want to do is to fall into  
The emptiness that is  
The space in-between us  
Erase it and bring us together again

Bring us back together again  
Bring us back together again
