

# Built To Spill, Carry The Zero

I'm not knocking your want  
to carry that home  
took it with you  
when you moved and got it broke  
found the pieces  
we counted them all alone  
didn't add up  
forgot to carry a zero  
I can't be your  
apologist very long  
I'm surprised that  
you'd want to carry that on  
count your blemishes  
you can't  
they're all gone  
I can't see your response  
putting them back on  
like they're waiting for your guard to fall  
so they can see it all and you're so  
occupied with what other persons are  
occupied with  
and vice versa  
and you've become  
what you thought was dumb  
a fraction of the sum  
yeah, you've become  
yeah, you have become  
a fraction of the sum  
the middle and the front  
and now it's coming back  
hasn't it come too far?  
I was trying to help but I guess  
I pushed too hard  
now we can't even touch it  
afraid it'll fall apart
