

# Built To Spill, Just A Habit

He's more farce than father  
he's more of a dog than dogs are  
it depends, we're just dots and commas  
I'd still say you got one on us  
theres not reason for it  
dont despise it and don't adore it  
it's just a habit  
it's just a habit i formed

this ones a super sonic  
this one's got too much on it  
this ones a freak  
this ones for free  
theres no reason for it  
dont despise and dont adore it  
it's just a habit  
it's just a habit
