

# Built To Spill, The Plan

The plan keeps coming up again  
And the plan mean nothing stays the same  
But the plan won't accomplish anything  
If it's not implemented.  
Like it's always been  
And it makes me think of everyone  
The cause if this is evident  
But the remedy cannot be found  
Cause it's so well hidden  
This history lesson doesn't make any sense  
In any less than ten thousand year increments of (common sense) (x5)
