

Built To Spill, The Plan

The plan keeps coming up again
And the plan mean nothing stays the same
But the plan won't accomplish anything
If it's not implemented.
Like it's always been
And it makes me think of everyone
The cause if this is evident
But the remedy cannot be found
Cause it's so well hidden
This history lesson doesn't make any sense
In any less than ten thousand year increments of (common sense) (x5)
