Built To Spill, When Not Being Stupid Is Not Enou

when not being stupid is not enough when not being wrong is not enough waited such a long time have I waited too long? in a world that's so bad it's not hard to feel good you do what you have to not as much as you could just because you're not wrong doesn't mean that you're right when not being stupid is not enough when not being evil is not enough you look all around you never look up at the stars
