Hey, come on you women, let's do the
Jitterbug

When you do the Jitterbug swing, you know you will be doing a thing

Hey, I can't stand it long, I'm telling you women, I can't stand it I

Hey, every time I ask you, you won't let me follow you home

You must have some

rounder

, lyin' in your arms

Hey, you women workin' on my nerves

Hey, you women workin' on my nerves

Hey, you gonna drive me in my blood

Hey, please, m'am, don't say, "Uh uh"
